School Election Results

OVERRIDE DEFEATED

On the tax override put before the voters in the Chaffey Union high school district the result with all of the 40 precincts counted (not including the absentee ballots) was a resounding defeat for the issues.--No-7601, Yes-5851.

The override, like most of the school money questions, posed to

The override, like most of the school money questions, posed to voters this past year was completely unacceptable to the voters on the eve of the income tax return deadline. If the issue had passed it would have allowed the school board to raise the basic tax rate from the present \$1.70 per \$100 assessed valuation to \$2.50 per \$100 assessed valuation.

Among the candidates up for re-election in the Chaffey Union high school board contest A. Richard Allred was the top vote getter with 5473, while running mate William Draper finished a distant fifth,

Maurice Goodban, an Upland bank branch administrator, came in second in the final count of 40 precincts with 5333 votes. The third open seat on the board is not final with absentee ballots yet to be counted in a close race between G.A. Chalfant (5034) of Ontario and Richard Evans (5008) of Cucamonga.

Chamber Revises Membership Fees

The Chamber of Commerce has revised their membership schedule into a fair share investment formula. Because of increased costs the membership fee has heep raised

.....

The smallest fee is \$25 for an individual who is not licensed to do business and the highest is for banks and financial concerns with a minimum of \$150, plus \$25 for each five employees over 10.

Roger Olson, owner, Olson's market, has resigned his post as a chamber director because of business responsibilities. He has been an active member of the organization for several years and has served a year and a half of his three-year term. John Meyer, owner Modern Decorators, was appointed to fill the vacancy.

Committees who have met in the last month have taken the following action:

--Legislative Action Committee, Jay Leman, chairman, conducted a survey and established priorities in legislative matters that concerned the community and then drafted a letter to the legislature indicating the priority items. Topics of concern by the committee were concerning federal spending, tax surcharge and electoral college reform.

--Brochure and publications committee, Dick Heild, chairman, has a new city map in the offing and a color brochure to

Library Week Observance Set

Members of the staff of the new Upland Library are celebrating National Library Week, April 20-26, in the spacious new quarters.

Mrs. Louise Franke said no special programs were planned but people are welcome to browse and enjoy themselves and pick up a copy of "Notable Books for 1968." Besides books, the library circulates paintings and records.

Mrs. Franke reports the new library is going well and that registration is up over last year. In fact, in the first few weeks of operation, registration climbed to 1,228. Last year at the same time, it was 250. "We are popular," she said.

Teenagers have been most cooperative in the new library and Mrs. Franke paid them special tribute. Many people mention the relaxing atmosphere and, of

course, the beauty of the interior.

Those on the staff besides
Mrs. Franke, who is the head
librarian, are, Myrtle Owens,
reference; Corynne Hanzlik,
reader's service; Phyllis Frost,
children's librarian; and Kathleen Burnath, technical services.
There are some part time employees also.

The library is located at "D" st. and Euclid and is open Monday through Friday, 9:30 a.m. to 9 p.m., and on Saturday, 9:30 a.m. to 6 p.m. and closed Sunday.

School Site Hearing Slated For Apr. 24

Two hearings affecting the Upland-Cucamonga area are scheduled by the San Bernardino County Planning Commission at its Apr. 24 meeting.

The first is at 9:45 a.m., on the petition of Steven V. Allen from R-1-15M (single family residence 15,000 sq. ft. minimum parcel) to a R-1-12M (single family residence 12,000 square foot minimum parcel) zone on the north side of Lemon avenue approximately 660 feet East of Carnelian st., Alta Loma.

Sanchez New JHS Head

Loren Sanchez, principal of Sierra Vista elementary school, was named principal of the new Mission Junior high school by the Upland City School District board of trustees at their meeting Tuesday night.

Sanchez, an Upland native, came to the district in 1958 and has taught at Upland elementary school and Sierra Vista. He was named principal of that school in 1965 and will continue to be principal there until Mission junior high school is finished. There is no target date set for its completion. He will help in the planning of both the building and curriculum.

Other personnel changes made at the meeting were as follows: Mrs. Octavia Cogswell, fourth grade teacher at Baldy View, will retire after 25 years teaching. She has been eight years in

the district.

Mrs. Fern Reisner, third grade teacher at Sierra Vista school will retire after 27 years of teaching. She has been in the

district the entire time.
Other teachers who are leav-

ing are: Mrs. Barbara Battcher, third grade teacher, Foothill Knolls school, Mrs. Jane Dibbell, second grade teacher at Foothill Knolls, Mrs. Donna Pugh, fourth grade teacher at Magnolia, Mrs. Cora Schmitt, second grade teacher at Cabrillo and Mrs. Marilyn Tuley, English teacher at Upland junior high

school.
Other personnel were granted

maternity leaves.

Is It Necessary?

by Bobbe Monk

Do San Bernardino County Supervisors need the pay increases in the amount they requested last week?

Do they, in the interests of what is most needed in the county, have to have that increase now?

As recently as April 9, Board Chairman Ruben Ayala hitting at Gov. Reagan's tax proposals, indicated that San Bernardino County was nearing the brink of borrowing money from outside sources if state or federal funds were not forthcoming soon. (for flood repair work).

Yet this same Board Chairman feels that a pay hike from \$10,500 to \$16,500 for himself and \$10,000 to \$14,000 for the other board members is within reason.

Granted that the board may receive lower salaries than their lowest-paid department head and even less compensation than 15 per cent of county employees, the question is, is it necessary to raise the salaries that much right now?

good look at such county areas as the Cucamonga Creek and the roads in the Cucamonga, Alta Loma area causes us to wonder if the money isn't more necessary here, and in the many similar areas of the county, than in the pockets of the legislators.

Perhaps a smaller increase might be justified since, the County Grand Jury is quoted as saying, all members "are giving in excess of what is considered full time" to their jobs.

It seems they might show greater fiscal responsibility, and a greater concern for the taxpayers, by decreasing their requests and getting along on a little less, like the rest of us.

Modern Tax Math

How many times have you come home looking forward to a relaxing evening in front of the T.V... greet the dog... walk into the kitchen...give the little woman a peck on the cheek...only to hear "You've got to help Debbie with her homework tonight, you know i don't understand that modern math." So, after dinner, you sit down at the kitchen table for a two-hour lesson from your daughter on the basic rules of modern math, all so you can solve a problem that would have taken you five minutes using the old system.

This was recently brought to mind while reading a report from the Franchise Tax Board. The report, a news release on California personal incomes and taxes, was from the office of Martin Huff, Franchise Tax Board Executive Officer. The report stated, "The average income per return was \$9,725, for the calendar year 1967, compared to \$9,002, for 1966." It further pointed out that, "the average tax per taxable return rose from \$111.54 to \$235.51 for 1967 and state personal income taxes increased from \$484 million to \$958 million." Applying the 1940 vintage math to these figures, the average income reported on tax returns was 8% higher in 1967 while the average tax was a whopping 111% higher. All this happened with only a slight increase in the number of returns filed while the number of taxable returns dropped by 300,000. Now, these results were so frightening that there just had to be some mistake.

Perhaps the old math system doesn't apply to the modern tax system. So . . . "Debbie, can you help me with a problem?" She quickly took down the figures, using modern math's units of five and units of ten, etc. and after about thirty minutes confirmed the answer, adding, "I don't understand it either, but I don't think it's fair to cut my allowance just because I can't get a better answer than you!"

Comments In Brief -

U. S. Senator James B. Pearson from Kansas commented, "The mare's nest of overlapping agencies and duplicating programs that the new blue-ribbon preview panel (Hoover Commission) will have to unsnarl is truly staggering. We find today that three separate progams are attending to the treatment of deaf children. Thirty are involved in teacher-training activities. Nine deal with job recruitment, while at least five subsidize on-the-job training projects. Moreover, 15 dif-ferent departments and agencies are now administering 79 separate training and education programs."

Last Week's

A Good Question

'Scene And Herd' In The West End

by Bill Mason

AGAINST IT

Mayor George Gibson of Upland, a fine gentleman and a conscientious public servant, is of the opinion that the mayor should be elected by the council--not directly by a vote of the people.

"It's almost certain to be a councilman, anyway," the Mayor points out and adds, "who knows more about how capable a man he is than a fellow councilman?"

Our point in permitting the voters to name the Mayor was that it would result in more interest in municipal elections and more people would vote.

DON'T LOOK NOW BUT

Most Uplanders are quite happy with the first steps of the Civic Center -- the Fire Department and the new Library.

But there are a few dissenters, too. There are those who feel the added aesthetic touch of a fountain and other refinements are needed to improve the exterior appearance.

Airport officials at OIA are very happy with the 50 cent parking gate and are probably rubbing their hands in anticipation of the revenue to come in time.

But from papas and mamas who live in the vicinity and take their children down there to see the planes arrive and depart, there is considerable dissatisfaction -- and you can bet your boots that two quarters won't be deposited for that purpose and possibly some future airplane passengers are lost all for the sum of 50 cents.

BOND ISSUES PASSE'
The term "bond issue" is a nasty word anymore particularly when

dangled in front of voters.

For the most part, Westenders have gone along with the requests of school administrators in approving requests for such measures.

But city officials here and elsewhere are avoiding the issue. They no longer erect city buildings but form a joint powers authority or arrange a lease back plan--the net result is the same--but the stigma of letting the taxpayer vote on the issue is neatly removed.

In our experience in the newspaper business, we know of one county which set up a sinking fund of \$125,000 annually for a period of 10 years (all very illegal but nevertheless good business) and then called for bids and paid for the new courthouse in cash.

This cash bit shook up the entire state. All unconstitutional, but a painless way of getting a "paid-up" courthouse.

NO IDENTIFICATION

Upland still remains the city without identification.

Cucamonga has Jack Benny or visa versa. . . Ontario has its International Airport (where all planes go when LA is foggy). . . Montclair now has its Plaza. . . Claremont has its fine colleges. . . Pomona has the LA Fair. . . LaVerne has its college and Brackett Field. . . San Dimas has Puddingstone Dam and San Dimas Canyon Park.

Upland once had a college and it vanished, and we're still trying to learn what the Salvation Army plans to do with what is left.

Nonetheless--the city desperately needs identification.

The Sword Of Hope

The sword of justice, it has been written, has no scabbard. Neither does the Sword of Hope.

That is the sword, with the caduceus hilt, which is the symbol of the American Cancer Society's continuing and merciful joust with what must be man's most dread disease. It is a shining sword, a singing sword that has brought life, health, hope to so many for

The statistics on cancer are at once depressing and encouraging. More than 50 million Americans now living will eventually have cancer. It will strike, over the years, in approximately two of three American families. There will be about 615,000 cancer cases diagnosed for the first time this year. About 940,000 Americans will be under medical care for the disease. About 325,000 will die.

Approximately 29,200 of those will be Californians.

But look at the better side. Some 205,000 Americans will be saved from cancer this year. Of every six persons who get cancer today, two will be saved and a third could have been had he had the proper treatment in time. There will be about 103,000 of those "could

These are the people the Cancer Society works hard to save through education and service, plus the research that goes on continually in an effort to find ways of helping those now definitely doomed.

Every one of us can help raise the Sword of Hope for these victims to be . . . who may even include ourselves. April is Cancer Control Month, an especially appropriate time for us all to help check cancer with a check. . . and a checkup.

Park Plans Halted

- by Jenny Kirkpatrick

The cancellation of the Park Bond issue which is sorely needed to develop and build parks is regrettable. While the cost of canceling the election seems to be minimal, (about \$400 is the estimate at present time), it is the whole tenor of the election that disturbs many people.

For instance, if it is "premature" to have held the election at this time, why wasn't more research done before the election was called to determine if it were going to be 'premature' to hold an election?

How much did the placing of the mayor issue on the ballot have to do with cancellation of the bond issue?

This has been a controversial issue, so why did it come up at this time? No one has any answers, there is only speculation.

Then, there is the matter of time to tell the story of park needs. Why isn't the story told on a continuous basis when the need is so great rather than at bond

Why don't city officials have time to tell the people about the bond issue if time to explain the flooding of the city can go on by city officials even after the floods have passed and it is now up to the federal government to get the work done?

There are a lot of questions that need answering about how we are going to get park development in the

The need for parks is NOW.

No More Bread

Once upon a time there was a Little Red Hen who scratched about and uncovered some grains of wheat. She called her barnyard neighbors and said: "If we work together and plant this wheat, we will have some fine bread to eat. Who will help me plant the wheat?"

"Not I," said the Cow. "Not I," said the Duck.
"Not I," said the Goose. "Then I will," said the Little Red Hen-and she did.

After the wheat started growing the ground turned dry and there was no rain in sight. Who will help me water the wheat? said the Little Red Hen.

"Not I," said the Cow. "Not I," said the Duck.
"Not I," said the Pig. "Equal rights," said the Goose.
"Then I will," said the Little Red Hen-and she did.

The wheat grew tall and ripened into golden grain. "Who will help me reap the wheat?" said the Little "Not I." said the Cow. "Not I," said the Duck.
"Out of my classification," said the Pig. "I'd lose
my ADC," said the Goose.

Then I will," said the Little Red Hen-and she did. When it came time to grind the flour, "Not I,"

said the Cow. "I'd lose my unemployment compensation," said the Duck, When it came time to bake the bread, "That's overtime for me," said the Cow. "I'm a dropout and never learned how," said the Duck. "I'd lose my welfare benefits," said the Pig. "If I'm the only one helping, that's discrimination," said the Goose.

"Then I will," said the Little Red Hen-and she

She baked five loaves of fine bread and held them up for her neighbors to see. "I want some," said the Cow, "I want some," said the Duck. "I want some," said the Pig. "I demand my share," said the Goose. "No," said the Little Red Hen, "I can rest for a while and eat the five loaves myself."

"Excess profits," cried the Cow. "Capitalistic leech!" screamed the Duck. "Company fink," grunted the Pig. "Equal rights," screamed the Goose. And they hurriedly painted picket signs and marched around the Little Red Hen singing, "We shall overcome." And they did.

For when the Farmer came to investigate the commotion, he said, "You must not be greedy, Little Red Hen. Look at the oppressed Cow. Look at the disadvantaged Duck. Look at the underprivileged Pig. Look at the less fortunate Goose. You are guilty of making se-cond-class citizens of them."

"BUT - BUT - BUT - I earned the bread," said the

"Exactly," the wise Farmer said, "That is the won-derful free enterprise system; anybody in the barnyard can earn as much as he wants. You should be happy to have this freedom. In other barnyards, you would have to give all five loaves to the Farmer. Here you give four loaves to your suffering neighbors.

And they all lived happily ever after. Including the Little Red Hen, who smiled and smiled and clucked, "I am grateful. I am grateful."

But her neighbors wondered why she never baked any

Sister City Dedicates Edificio Municipal The Upland News

April 9, was a day of double celebration in the city of Caborca, in So-nora, Mexico, which is Upland's Sister City.

In addition to the formal dedication of their new Edificie Municipal (City Hall) and a new double boulevard which extends through the center of the city, the Ca-borcan's also held the celebration marking the anniversary of the famous battle of April 6, 1857 when the heroic Caborcan's saved their city from the conquistadores (who were mostly Americans). (This event was not held on April 6 this year, due to the fact that it fell on Easter Sunday.)

The Honorable Faustine Serna, Governor of the State of Sonora, was present for the entire occasion, as were a number of other State legislators and city officials from other cities in So-

The City of Upland was represented by a party of eight: including the fol-lowing: The Honorable George M. Gibson, Mayor of Upland; Councilman and Past Mayor, James L. Christensen; Council-man Zella H. Stone, President, Town Affilia-tion Association; City Manager, Elwin Alder, who flew the above named officials to Caborca. Traveling by auto were: Chamber of Commerce President E. Harvey Stone, and Mrs. Stone and Thomas Lucero, Jr. Vice President Town Affiliation Association, and

5 p.m. on Wednesday with ceremonies at the historic mission, where the battle took place in 1857. The Governor's Honor Guard, and band led the parade to the mission and participated in the ceremonies that followed.

Colors were presented, and the National anthem was played. Two groups of school children presented choral numbers, and various dignitaries spoke. The Governor praised the City of Ca-borca for it's heroic past action, and for it's present day progress, adding that it is an example for other cities to fol-

Floral tributes were placed at the Monument which marks the site where the heroic Caborcans defended their city on that historic day in April, 1857.

Following the ceremonies at the mission, the inaugural ceremonies were held at the boulevard, and then, at the new Edificie Municipal (City Hall), where Mayor Gib-

Pulse of the Plaid By Andy Wilson

Other than elections, Upland High has few special activities. However, there is a special program at present which I will describe below. It is taken from the literature distributed by the organization.

The Pomona Valley Walk for Development is a youth effort to alleviate the misery of hunger, by raising funds for self help projects based upon the principle: "Give a man a fish and you will feed him for a day. But teach that man how to fish and he will feed himself for a lifetime."

The local and international projects, funded by the monies raised, will be chosen by the student bodies of the participating schools.

On April 20, the students and any interested people from the community will walk for 30 or less miles and solicit money for each mile they walk from friends, relatives, businessmen, neighbors and any other ob liging souls.

The walk will follow this route: Start Ganesha Park, go to Southwest Pomona to North Chino, up on Euclid to Upland to Upland high school down to North Montclair, to Claremont through the colleges, and back to Ga-nesha Park.

monies raised from the Walk for Development will be distributed in the following manproject, 42% for the international project, and From Hunger Foundation which will be used for funding the walk, making films, and paying opera-

The Freedom From Hunger Foundation is a non-political, non-profit organization entirely supported by private and Walk for Development sources. It is charted in the District of Columbia and maintains offices and professional staff in Washington D.C. and New York City.

SERENADING THE COUNCIL -- Members of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, serenaded its thanks for the proclamation designating the week of April 6-12 as Barbershop Harmony Week in Upland. The organization is celebrating its 31st anniversary. The singers are Jim Holden, Doc Klinger, John Markle

Assistance League Provisionals Announced

The Upland Newcomer's Club meets the second Wednesday of the month with special interest groups meeting at other times of the month.

Lions Light Bulb Sale, Apr. 18-19

Members of the Upland Host Lions Club, assisted by the Upland High School Lions Club, will conduct an electric light bulb sale to raise money for the William Simonsen Kidney Machine Fund.

The drive will run through Saturday, April 19. A sales booth will be located in downtown Upland on Friday, from noon to 5 p.m. and on Saturday from 9 a.m. to 5 p.m.

Proceeds will go toward the maintenance cost of the kidney machine which annually totals between three and five thousand dollars. The Upland Host Lions has a special interest in Simonsen since he has annually assisted the club with its student speaker contest. The club earlier donated five hundred dollars toward the kidney machine.

Pomona Hands Upland 1st Track, Diamond Losses

Red Devils Victorious Top Meet Times, UPLAND -- Despite a record performance by pole vaulter Dan Keebler, to win the long jump. Top Meet Times, Posted In Upland Top Meet Times, Posted In Upland

Upland High School received its first San Antonio League varsity track and field defeat at the hands of unbeaten Pomona, 67-51.

This loss drops the Highlanders into a tie for second place with Clare-

Keebler vaulted 13-1 to surpass the school record of 13-0, set by Bob Hoke in 1969.

Upland once again swept both distance races and also placed 1-2 in

Bob Sos registered an excellent 4:34.7 win in the mile, Angus Gordon took the 880 in 2:02.3 and Doug Slater strode to a 10:23.4 victory in the two mile.

Doran Hearn was the only other varsity perto win the long jump.
Top performer for Pomona was hurdler Char-

les Penn who took the 180-yard low hurdles in 19.6 and ran 14.5 in the 120 highs to tie the league record. Pomona romped to easy

victories in the B (68-27) and C (63 1/2-22 1/2) divisions to give Coach Don Green's forces a string of 102 straight track wins--counting all three divisions.

Isidro Monge, who shared a 12 strike out performance (in six innings) with Frank Hegr, deserved a better fate, but three unearned runs was

his undoing. Those three total errors for the game were in improvement for the Braves though. One of the muscues aided a tworun inning for the Romans in the third, while two other errors led to pair of tainted tallies during a three-run outburst in the fourth.

WALNUT --- Mt. San Antonio romped to a 95-50 Eastern Conference track win over Chaffey College here Friday in a battle of unbeatens.

MSAC used the first event, the 440 relay, as a trigger mechanism. With Chaffey leading, Tom Bumstead suffered a muscle pull and dropped the baton, Hurdlersprinter Ken Hogue and vaulter Leroy Miller did not compete due to injuries.

Veteran Roger Vignocchi won this week's "Tough Hog" award with a first and two thirds. while versatile Jerry Fellows added seven and ran both relays. Chaffey's top effort was turned in shotputter Ernie Cathcart, who upped his state leading mark to 54-4 1/2.

Rufus Scruggs and Ron Haynes scored doubles for the Mounties, who stopped Chaffey's win

Devils gathered 102 points to hold off Claremont, which garnered 92. Upland was third with 64 while Ganesha finished fourth, Other San Antonio League teams which competed included Garey, Bo-nita, Montclair and host Chino.

One of the fine individual efforts for the Highlanders came when Angus Gordon ran a 1:58 closing 880 on the spring medley, but the team had to settle for second behind the record effort of

Claremont. Upland posted a pair of wins, John Henderson, Mitch Dolberry, Dewey Szemenyei and anchor Doug Slater winning the four - man - two - mile (4 x 880) and the team of John Marshall (440) Gary Bare (880), Bob Prouix (1320) and Stan Self (mile) accounting for the distance medley.

Another top effort for Upland came when Dan Keebler cleared 12-6 to finish second to Gray of Claremont (13,6) in the

Highlanders Drop 1st In SAL Competition

POMONA --- A combination of strong pitching by Pomona's Dan Hollingsworth and five enemy errors accounted for Upland High School's first San Antonio League varsity baseball defeat of the season here Tuesday afternoon as it fell to the Red Devils, 10-4.

Hollingsworth held the visiting Highlanders to just four hits, while he struck out four.

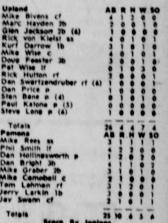

Pomona got onto the scoreboard in the first inning when Phil Smith belted a triple and came home on a squeeze bunt by Hollingsworth.

The Red Devils added two more in the fourth on a walk, single, error and another single to take a 3-0 lead. Upland pushed two runs

across in the fifth when, after loading the bases with two outs, second baseman Mike Campbell dropped a fly ball allowing two runs to score.

Bottom of the fifth was all Pomona as the Red Devils sent 12 batters to the place on three hits. five walks and three Upland errors to push seven runs across and break the game open.

Upland made a final rally in the seventh when Mike Bivens led off with a home run. Kurt Darrow got aboard on a walk and Mike Wise rapped out a triple to score Darrow, but Hollingsworth rose to the occasion to put down the rally and ensure the victory.

Katona Hurls One-Hitter In Upland SAL Victory

POMONA-Paul Katona San Antonio League vicwas three outs away from firing his first varsity baseball no-hitter Friday when Joe Munoz doubled into rightfield to spoil the bid, but not the 8-0 shutout that Upland posted over Ganesha.

Katona had gotten Munoz swinging his previous two times at the plate, but came in too good with an 0-2 fast ball at the letters which Munoz hit ed twice. over the rightfielder's

Katona was never in any serious trouble as he captured his second

tory against no defeats. He was a bit wild walking six and fanning only four.

Hitters made it easy

for him as they scored at least once their first five times to the plate. Mike Wise led the sevenhit attack with a double and a single. He knocked in one run and scor-

Ron Thomas, making his first league start, was wild and it got him in trouble in the first

three innings. He left giving up only three hits, but four runs on four walks. All the runs were earned.

A balk by Thomas allowed Mike Biven's to score the Highlanders' first run in the opening inning. In the second Bivens drove Doug Feister across the plate with a sacrifice fly.

Then in the third Mike Wise doubled in Kurt Darrow and scored himself Feister's bouncing single down the right field

Practically everyone experiences an attack of hiccups at one time or another. While ordinary hiccups are not considered a medical problem and usually subside of their own you may obtain faster relief with such remedies as sipping water, breathing deep-ly, holding your breath, or deep exhaling and inhaling into a paper bag. If hiccups persist for protracted periods of time, consult your physician.

New Bill To Give Taxpayer Fair Treatment

Senator William E. Coombs of San Bernardino County today joined 18 other Senators in the co-authoring of SCA 33.

This measure extends the two-thirds vote requirement for tax in-crease legislation to those taxes paid by individuals, such as the Personal Income Tax and the Sales Tax. These taxes can presently be increased by a simple

majority vote, whereas taxes on banks, corporations and insurance companies are required to have a two-thirds vote.

"Fundamental notions of fairness and equality of treatment demand that the small taxpayer be given the same protection that is afforded the large corporate taxpayer", said Senator Coombs.

"This is particularly Important when you stop

to realize that under our present system those majority vote levies which hit the wage earner hardest usually take efdum vote of the people,'

Half Of Inspected Cars Found To Be In Violation

California Highway Patrol Passenger Vehicle Inspection lanes in the San Bernardino Area of the California Highway Patrol are found to have one or more violations.

This announcement was made today by Captain V.F. Nicholson, He said

THURS., APRIL 17

thru WED., APRIL 23

EACH

Approximately 52.1% of that more than 4500 ve-the vehicles checked in hicles, including panel hicles, including panel and pick-up trucks, motorcycles and small trailers are checked in PVI lanes in this area each month.

Most common violation statewide, is defective or improperly adjusted lights. Such violations comprise about 70% of the total.

Leaky exhaust, defec-tive tires and having less than two mirrors are also common violations, Although brake, steering and suspension defects are not as prevalent as those listed above, they are often found and can contribute to serious accidents, Captain V.Nicholson said.

Passenger vehicle inspection programs are required in each state by Federal Highway Safety Standards, California has a random system of inspection which, state officials believe, accompli-shes the goals of Federal standards at a lower cost to the taxpayer than the alternative, manda-tory annual inspections.

Experience of the California Highway Patrol indicates that there has been an improvement in vehicle maintenance standards since the program was started more than a year ago.

The safety inspections are conducted at locations which are changed often to provide broad coverage of the Area.

Vehicles are selected entirely at random and the inspections are swift but thorough. "Our officers are experienced in their jobs and move vehicles through the lanes as rapidly as possible. The average inspection takes less than five minutes, from the time the driver enters the PVI lane, said Captain V. Nicholson.

Several officers inspect the vehicles simultaneously, checking the lights, mirrors, glass, wipers, tires, wheels, suspension, horn, turn signals, brakes, steering and air pollution control devices.

Another officer looks at the driver's license and vehicle registration.

If no violations are found, a compliance sticker is attached to the windshield. For most violations, warnings are given and drivers must make corrections within a specified time. Citations are issued only in extreme cases.

"Our goal is to pro-mote traffic safety by encouraging owners to maintain their vehicles in safe conditions at all times," the Patrol Com-mander said. "Most of the violations we find are things which an observant vehicle owner could detect and have corrected without our assistance if he would adopt the practice of giving his car a circle check for safety often."

He said the program is well received by the public, and that most people who are waved into the PVI lanes appreciate the quick diagnosis of the ve hicle's safety needs.

OF CABBAGES AND KINGS

A royal treat that reigns supreme in many parts of the world is the king of cabbagesauerkraut!

As a rule, "sauer cabbage"as it translates literally-is thought to be a native of Ger-many, but similar dishes may have been enthroned even earlier elsewhere. Some say that the Chinese invented sauerkraut by fermenting cabbage in wine

One idea that can make sauerkraut even more regal is a recipe for "Champagne Sauerkraut," offered by famous che James Beard in a cookbook prepared by him. By sending 25e to James Beard Kraut Book. Box 215, Phelps, N. Y., you can get recipes for using sauerkraut in more dishes fit for a king than you can shake a scepter at.

The Airman of the Month at Norton Air Force Base never had it

A man selected the Airman of the Month, or Year, or Noncommissioned Officer of the Quarter, at the Inland Empire base a couple of years ago might not recognize the base's exemplary airman recognition program if he re turned today.

In recent months hard work by base officialsand generosity of civic leaders and businessmen in Norton's neighboring communities-have produced a substantially improved program.

A new regulation re-flects a fresh approach. Important changes have arisen, not from the new regulation itself or any procedural changes, but from the determination of base and the community leaders to make the local airman recognition system one of the finest in the Air Force.

Under the new setup, base and community provide a number of tangible rewards for Airman of the Month or Year, and NCOs of the Quarter and Year.

Each selectee receives a certificate and a letter of achievement which be-comes part of his permanent records. Unit commanders, provide three-day passes, and the base liaison officer arranges relief from all non-duty details for sixth days. Security Police provide reserve parking insignia for honorees

private cars.
Personnel Services contributes numerous gratuitous benefits, in-cluding five hours' child care at the base nursery six lines of bowling at Norton Lanes, four rounds of golf on the base greens--including the use of an electric golf cartand three days at Lake Isabella, with a boat and

motor thrown in, The NCO Open Mess offers dinner for two at its golf course annex.

In addition to the onbase perquisites, organizations and businessmen off base donate valuable benefits to both airman and NCO selectees.

Through funds raised by the Norton Boosters, who consist mainly of local businessmen and civic organizations, the honored airmen and NCOs realize substantial cash awards. Airmen of the Month receive \$25 checks and Airmen of the Year \$100 presented at a luncheon meeting of the directors of the San Bernardino Chamber of Commerce. Upon that occasion airmen are presented also plaques bear-

Officer Widows **Would Benefit Under New Law**

SACRAMENTO--- WIdows of police officers killed in the line of duty would be given increased benefits under legislation proposed by Assem-blyman John Quimby (D-Rialto).

The measure, Quimby said, would permit the widows to receive a portion of the officer's retirement pay as well as his benefits from workman's compensation.

The lawmaker said under existing law, widows of deputy sheriffs under the County Retirement Act of 1937 receive both benefits, however the wi-dows of city policemen can receive only one of the two benefit plans.

"The workman's compensation and the retirement program are two separate programs," Ouimby said, "and the survivor of a city police officer should be entitled to the same benefits accorded county sheriff de-puties."

ITEM: Food expenditures in 1969 are expected to in-crease, but not at the same rate as in 1968.

ing the key to the City of San Bernardino.

Noncommissioned Officers of the Quarter are awarded \$50 and Noncoms of the Year \$150. These checks are granted by the Trade Club at a banquet honoring the NCOs. They, too, receive Key-to-the-City plaques.
Numerous local firms

donate certificates for goods or services which are presented the Airman of the Month at on base ceremonies.

Downtown YMCA offers the airment membership for a year, Trader Is-land provides a lavish dinner for two, and the publishers of the base newspaper, the Globe-trotter, donate a \$10 cash award.

There are also gift certificates from Harris' Department Stores and Robinson's Men's Wear,

San Bernardino Downtown Associates, an organization of urban merchants, also contributes a \$25 gift certificate good at any member store.

From as far away as Las Vegas, Hacienda Hotel offers gratis three days' lodging to both air-men and NCO honorees.

Much has been done-through efforts of Norton people themselves and their civilian neighborsto make the important airman recognition program more vigorous and meaningful. There is every reason to believe the program will continue to expand, with additional forms of cognizance for Norton's outstanding airman and their sergeants.

LOOK FOR THE LUCKY BOND ON EACH PACKAGE OF MEAT ... It's Your Unconditional Guarantee of Flavor & Tenderness

Lucky's BONDED MEATS must pass rigid standards regarding weight, age, fat cover, bone size, etc., before they ever reach our meat counters.

Lucky insists that each beef be personally selected by our buyers. After the beef has passed government inspection for wholesomeness, but be fore or after government graders have graded, our buyers carefully select the beef that will pass our specifications for flavor and quality and is worthy of the Lucky "BOND." Beef that are extremely fat or wasteful are rejec-

ted. The high standards we set provide our customers with the best value for their food dollar . . . and we firmly stand behind every purchase with our MONEY-BACK GUARANTEE FOR COMPLETE SATISFACTION! For top value . . . for top quality . . . LUCKY'S "BONDED" MEATS at LOW DIS-COUNT PRICES are your best buy.

Quimby **Would Spread** Tax Payments

SACRAMENTO -- Leg-islation permitting all counties in California to collect property taxes in four installments annually has been introduced by Assemblyman John P. Quimby (D-Rialto).

The measure was recommended by the State Board of Equalization following recent studies made of the tax collection by individual counties.

Under existing law, Quimby said, only Los Angeles County because of it. large population is permitted to collect in quarterly installments.

The studies showed however," Quimby ex-plained, "that because of the increasing population of other counties, quarterly tax payments are justified."

Creative Dramatics Course At YMCA

The Pomona Valley YMCA is introducing for the first time a special class in Creative Dramatics starting Tuesday, April 15 at 3:45 p.m.

The class is for boys and girls ages 7 - 10 years and will concentrate on rythmic movements, awareness of senses, pantomine and improving through playmaking sessions.

The instructor is Gene Ackerman a Shubert Playwriting Fellow, licensed counselor with the community Family and

Children's Services in Claremont, and Lecturer for Cal Poly. She holds a B.A. from Barnard College and an M.A. from Stanford.

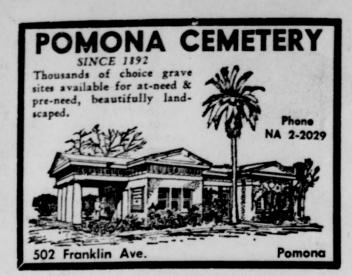

Miss Ackerman stated that the course incorporates the arts -- including drama to help youngsters learn how to express feeling through verbal and non verbal means.

For more information concerning this course, please call the Pomona Valley YMCA - 623-6433

Trio Of Women HonoredBy PFF For Services

Three women officers of Pomona First Federal Savings and Loan Association were honored re cently for more than 20 years of service each with the association.

The three received certificates of merit from the Tri-County Chapter of the American Savings and Loan Institute at the organization's annual ladies fashion show in Rialto.

The recipients are Ruth E. Weed, vice president and treasurer of the association who has been with PFF for 39 years; Margaret H. Kramp, internal auditor, who has spent 27 years with Pomona First Federal Savings; and Alma B. Glidewell, assistant vice presdent, who has been with the firm for 23 years.

All three went to work for the organization when the association was located in the small office at 260 S. Thomas st., between Second and Third streets. When the organization moved the headquarters to 399 N. Garey ave., the old building was razed in favor of

a parking lot. Paul D. Walker, president of the association, said he felt fortunate in being identified with three loyal, dedicated employes and looked forward to many more years of continued affiliation with

Cinema 1 & 11 Has Continuous Film Showings

A policy of daily continuous performances starting at 1:30 p.m., has been announced by Jim Polydoros, manager of the Cinema I & II.

In making the announcement Polydoros stated that the institutuion of continuous daily showings was being es tablished primarily as a

Experience has proven to our company, Mr. Polydoros said, that there are many people who, because of various reasons, find it difficult to attend evening per formances. This is particularly true of the housewife and those employed in night work. All the Cinemas of General Cinema Corporation, from coast - to-coast, have had gratifying re-sults with this policy, and I know that the people of the Pomona Valley, will readily accept it.

Pomona First Displays Art Of Hathaway

A group of seven water color landscapes by Mrs. Withy Hathaway of 955 Glen ave., is on display during this month in the lobby of the head office of Pomona First Federal Savings and Loan Association, 399 North Garey avenue.

The paintings repre-sent Mrs. Hathaway's work during the past three years. Prior to that she assisted the PTA by making signs and posters for various activities.

The artist was born in New England but has lived in Pomona for the past 30 years. She was previously associated with the Orange Belt Emproium as a saleslady.

USC Open House Set For Sunday, Apr. 20

Southland residents are reminded that Sunday, Apr. 20, will be openhouse at the 89-year-old University of Southern California.

Free and open to the public, the all-university event will run from 10 a.m. to 5 p.m. Parking will be free, as will a child care service for preschoolers and older.

Called USCaleidoscope, the open house event will feature scores of demonstrations, exhibits, seminars, lectures, sports, and entertainment events in cinema, drama and music.

Designed in part to attract prospective college students, USCaleidoscope will offer something for all the members of any family, according to USC's president, Dr. Norman Topping, "All doors will be open to classrooms, labora-tories, art galleries; faculty and students will be working together in many areas; there will be counselling sessions for interested high school and junior college students. USCaleidoscope is planned as a day for the whole family. We urge our friends and neighbors to join with us."

Demonstrations will range from aquatics, astronomy, and aerospace safety through dancing, dentistry, computers, gymnastics, physical therapy, laser technology, and medicine.

At USC's human centrifuge, only such instrument on a college and university campus in the world, visitors will not only be privileged to inspect the centrifuge but will be able to check their own cardiac performance and hearing on special instrumentation set up in the same area.

There, too, they will be able to see a heart-lung machine, examine live tissue under a phase microscope via television and see a film presentation of exactly what takes place in a human lung cancer. Also on exhibit will be USC-designed and built equipment for the ysiological monitoring of animals in biosatellite

space missions. There will be many purely entertaining pro-grams: The best of USC student-made films will be shown; USC's distin-guished Edinburgh Festival Players and other dramatists will perform; the day will have many musical highlights. Multiple image presentations by the Department of Instructional Technology will examine 'The Happy Art of Home Wine Mak-ing," "The Sun is But a Setting Star," and "Fresh Garbage."

USC's political scientists will examine the First 100 Days of the Nixon Administration; students will talk about "Students in the Society of the Sixtles"; USC's debate team will argue that executive control over foreign policy should be curtailed; law students will engage in a moot

court competition. USC will also use the occasion to honor HEW Secretary Robert Finch, a USC law alumnus, and dedicate the site for a new \$3.4-million Law Center, for which ground has already been broken.

Good Old Days Of Early '90's Are Displayed

CLAREMONT-Authen tic costumes and hats of the early 1900's will be on display in the Garrison Theater lobby during the month of April in con-nection with the Four Colleges Players of Claremont Men's, Harvey Mudd, Pitzer and Scripps College's production of the musical comedy "Naughty - Naught April 18, 19, 25, 26 and 27. Mrs. Pamela Connolly,

a Scripps alumni who has designed the costumes and sets for Naughty -Naught, arranged the

display. Four complete wo-men's costumes of the turn-of-the-century will be exhibited. Two are skirt and blouse sets; a third is an elaborate cut velvet brocade jacket with tortoise - shell boning worn with a black crepe skirt and the fourth is a white crepe gown with oriental lace worn to summer parties in New York and at Harvard by a Los Angeles socialite in 1910.

Californians Smoking Less, **Report States**

PASADENA -- California's trend in cigarette sales indicate smokers have heeded the U.S. Surgeon General's 1964 warning that life is shortened by continual smok-

ing. In 1968 California's per capita average was 133 packs, said Richard Nevins, Southern Cali-fornia Member of the State Board of Equalization. "This amount com pares with statewide fig-ures of 142.7 packs in 1966 and 134 in 1967.

The nationwide per

capita average of 138.3, 138, and 135 packs for 1966, 1967, and 1968 re-spectively does not reflect the same response to the Surgeon Gener-al's warning, continued Nevins.

Cigarette taxes in 1968 provided \$163 million for the State of California and \$70 million for cities and counties. Cigarettes carry a 7¢ per pack State tax and a 3¢ per pack city tax for a grand total

of 10¢. "In 1967 California distribution amounted to 2.66 billion packs, while in 1968 the distribution was 2.64 billion, a decrease

of 0.7%.

"Nationwide, smokers consumed about 27 billion packs in 1968, a decrease of 0.6% from 1967.

"Forty-nine states and

the District of Columbia now tax cigarettes," Nev-ins concluded. "Only North Carolina has no

Queen And Her Court Selected For Poly Vue Days, May 9-10

With these words Barbara DiGeorge, a 21-year-old coed at California State Polytechnic College, Pomona, was crowned queen of the 1969 Poly Vue, Kaleidos -

cope."
Miss DiGeorge and her court of princesses will reign over the activities of the 27th annual open house on May 9-10. The Princesses are Janet Geiger (Blythe, Los Altos), Jeanne Graff (Fon-tana), Cathy Morris (Pomona, Honolulu, Hawaii), and Pat Sargent (Clare-

mont). The girls were chosen by a panel of judges and by vote of the student body at a Queen's Pageant held on March 29. The judges were Bill Welsh, popular KTTV personality; Joe Covell, deputy chairman, Los Angeles County Board of Super visors; Leonard Gleck -

Covina; Harold Hayes, mayor, of City of Mont - clair; Mrs. Harold Roach, professional model from Riverside; Miss Anis Scarlett, director of the Pat Quinlan Modeling Agency, Covina; and Hollis Williams, display and fashion coordinator, Buff um's, Pomona Mall.

The new queen, a Social Sciences senior at Cal Poly, graduated from Covina high school in 1965. While in high school Miss Di George was homecoming princess, cheerleader, senior rep-resentative to the Girl's League Board and a member of the drill team. She is the daughter of Mrs. Lucille Johnson, 1109 W. Masline st., Covina and Anthony DiGeorge, 17222

Woodcroft, Azusa. Miss Geiger, a 20year-old History junior, is a graduate of Palo Verde high school in head cheerleader, Sweetheart Ball queen, Spring Formal princess and homecoming princess. She is the daughter of Mrs. Jane Rhodes, 105

Marvin ave., Los Altos. A graduate of Bloomington high school where she was a songleader and served three years as assistant editor of the campus yearbook, Miss Graff is a Marketing junior at Cal Poly. The 20-year-old Poly Vue princess is the daughter of Mrs. Vincent Graff, 9529 Evergreen Lane, Fon -

A 20-year-old Busi ness Management sophomore, Miss Morrisgraduated from Ganesha high school, Pomona in 1966. She is a member of the California Scholarship Federation and received the Bank of America Award for Vocational

man, mayor, City of West Blythe where she was Arts. Herparents are Mr. and Mrs. Vernon E. Morris, 780 Amana, Honolulu, Hawaii.

A Language Arts ju -nior at Cal Poly, 19-yearold Miss Sargent is a 1966 graduate of Claremont high school where she was voted most outstanding freshman and was active in student government. She was 1967 All-States Picnic Queen and is the daughter of Mrs. Frances Sargent, 310 st., Bonaventure ave., Claremont.

The queen and her court will represent Cal Poly at schools and civic organizations to invite the public to Poly Vue.

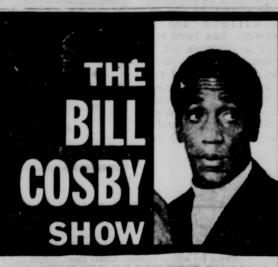

Poly Vue events this year include the tradi tional rodeo, a carnival, horse show, deep pit barbecue and many other activities. All academic departments on campus will feature exhibits and de monstrations.

by Eric Olsen This week on the 19th at 7:30 p.m. the Bonita High Music Department will present a Swing Show, The participants have auditioned for their acceptance and a big hand should be given to every one of them.

The groups participat-ing in the 1969 Swing Show are: The Brass Menagerie, Ross Watkins, piano, Janice Giovanazzi The Continental Five, Pat Arnett and Carolyn Mc-Loughlin, Liz's Girls (Can Can), Alex Muller Folk Group, Shades of

As you can see there will be fun for all and we hope you come. Part of the proceeds will go to the band to help pay for their new uniforms which they have so recently acquired.

The school groups who will participate are the Advanced Girls' Glee, Madrigal Singers, the Mixed Chorus, and to top off the whole show the Stage Band will present some new numbers. For the finals, the entire cast will sing "This Land Is My Land". So be there and cheer for your favorites.

For tickets, please contact Dena Pence or the Bonita High Music Department at 593-3093, or you can buy tickets at the door. Tickets will be \$1 for adults and 50¢ for students and children.

There was a great re-hearsal on Wednesday night leading up to the assembly on April 18.

The sponsors and directors in charge of the 1969 Swing Show are Mr. Pence, Choral Director; Mr. Synder, Bands Director, and Mr. Jaynes, a teacher sponsor who has kept everything on the right track.

The participants have practicing hard polishing up the numbers. and if you ever have been to one of the previous shows, you know that this means a great show and lots of fun for everyone. It looks like a great show, I hope I see you there!

Name Crevolin To Watershed Commission

SAN DIMAS - Reap pointment by the Board of Supervisors of Andrew J. Crevolin, San Dimas, to a new two - year term of office on the Los Angeles County Watershed Com mission was announced today by Supervisor Frank G. Bonelli.

Crevolin, who has an address of 1103 Valley Center, San Dimas, will serve a term expiring May 1, 1971 as First Supervisorial District representative on the 35member Commission.

Duties of the Commission, whose members serve without compensation, are to consult and advise with Federal, State, City, County, and other governmental and private agencies and devise, discuss, and suggest methods and means for the prevention and suppression of forest fires, the preservation of watersheds, and the control and conservation of flood waters by means of such prevention and suppression and by appropriate methods of upstream engineering within the mountainous watersheds of the County and devise long-time effective plans to accomplish such purposes.

Dr. Warren Gross Starts Practice

SAN DIMAS -- Dr. Warren Gross has taken over the private medical practice of Dr. Robert Dukes at 324 N. San Dimas avenue. Dr. Dukes left his practice to accept a position as Director of Emergency at Pomona Valley hospital.

Prior to coming to San Dimas, Dr. Gross had his medical offices in Glendora. He began to practice here on April 7.

Before assuming practice in Glendora a year and a half ago, Dr. Gross was practicing medicine in Wisconsin for eight years. He is a graduate of Drake University in Des Moines, Iowa, class

Serving in the Navy for three and a half years, Dr. Gross was line officer and saw duty overseas, taking part in the D-Day assault in Normandy.

He attended Chicago College of Osteopathic Surgeons for four years where he obtained his DO degree, then went on to practice in Wisconsin before coming to California,

Dr. Gross received his MD degree at California College of Medicine in 1962.

Bringing two of his staff from Glendora, Miss Barbara Jack-son and Miss Carmen Perez, Dr. Gross also has on his staff Mrs. Ethelwyn Russell and Mrs. Louise Leigh, formerly with Dr.

Dr. Gross has two children, Warren, who is four years old, and Scott, who is two and a half.

Violet Society Sets Meeting

The Pomona Valley African Violet Society will meet Monday April 21 at 1 p.m. at the United Methodist church, 3205 "D" st., La Verne.

There will be a discussion about the show just held, and ideas for grooming plants for the next show.

Tea will be served and guests are welcome. Plants and accessories will be for sale.

L.L. Auxiliary Appeals

We, the LaVerne Little League Auxiliary, appeal to each and every one of you for your help!

On Saturday, April 26, we celebrate opening day. Two hundred, seventy seven boys will proudly don uniforms and play baseball. We parents share this pride and all LaVerne may also. Do you know that no boy who signs up for Little League in our City is turned down? We accept every single one! Our turn out this year is approximately 25% greater than last year. This means more equip ment, a bigger field and a

great deal of money. To raise this money, we are giving a dinner on April 26 between I and 6 p.m. at the Little League Field at F and 8th streets, LaVerne. We are serving fried chicken,

baked beans, cole slaw, roll and butter and coffee or punch. Price of the tickets is \$1.25 per adult, \$.50 per child. These boys, and a great

many of them are teen agers, are not stealing or smoking marijuanaor being bad--they are playing baseball as hard as they can. This is a big deal to them--please let

it be a big deal to you. Lets keep these kids "good" by supporting them. Please buy a ticket and share our dinner.

Lets show these boys that LaVerne is a City that cares and does for our youngsters.

Any volunteers to help serve will be greatly appreciated. Thanks folks, and see you at the Field.
